Red 6-handle fireproof cover with Me.Ber tape for self-loading stretcher

FEATURES

Slash is MeBer's innovative mattress protector transfer sheet. Excellent ally for moving the patient from bed to stretcher and vice versa. Equipped with 6 handles and made of fireproof, tearproof and waterproof nylon.
Placed on self-loading stretchers, it easily lends itself to immediate sanitation between one patient and another. The reduced sizes are specially designed to facilitate operations during the handling phases.
Compatible with all stretcher models.

SLASH IS NOT A CARRYING SHEET.
