

# 675 Extra Ergolift FX

Fixed frame powered Stair Chair suitable for transportation

## FEATURES

The range of Me.Ber. powered stair-chairs expands with the new Extra Ergolift FX. Thanks to the great success of the folding model Ergolift, FX borrows to grant the same high performances, but with a fixed frame, especially designed to fulfill the needs of daily transportations services or as a dedicated device in both medical and non medical facilities.

The powered chair is designed for covering the needs of modern all-round service, and it's suitable for transport on vans and ambulances. Ideal for recovering and relocating patients without efforts.

Unique features:

- wireless control panel
- telescopic handle bar
- supplied with thoracic abdominal belt
- long and high gripping tracks
- 4 dedicated points for restraint systems
- 200 mm rear wheels
- high capacity battery
- high comfort

Extra Ergolift loads up to 230 kg and can be used under rain or adverse weather conditions.

Weight 44,8 kg.

28V battery

Autonomy: 18 ramps by 20 steps with a load of 130 kg

Charging time: max 1 hour

MDD 93/42/EEC - Class I Medical Device EN 1789 Certified
